TERMS AND CONDITIONS

- Nquthu Municipality will evaluate this tender submission based on a combination of factors including price, returnable documents, functionality and specific goals. The evaluation process will assess how well bidders meet the stated criteria in each of these areas
- The Nquthu Municipality will evaluate proposed projects according to a pre-defined selection policy. This policy, which outlines specific criteria, will be consistently applied to all projects. The municipality's evaluation process will involve assessing factors like price, required documentation, functionality, and specific project goals. The municipality will also adhere to the 80/20 principle (as defined by the 2022 Preferential Procurement Policy Framework Act) for price evaluations within a specific price range.

SPECIFIC GOALS

- Each project has its own distinct specific goals, and these are detailed in the project's official document.

Queries relating to the issue of the above-mentioned document may be addressed to:
